Otiver Brower, of this city, who is employed as a brakeman on the Min-ster branch of the L. E. & W., had the first two fingers of his right hand hadly mashed at St. Marys yesterday afternoon, as the Minster train was enroute to this city. Brower had made a coupling and was in the act of pushing a coupling pin down when the slack was taken up and his finger was caught be-

tween the pin and a duadwood, The fingers were so badly crushed that amputation was necessary. The wounded hand was dressed by a physician in St. Marys.

What makes the story look like a fake is the fact that the headquarters of the Cincinnati Northern is being moved to Van Wert. Yet the affairs of the Brice lines are in such an unsettled state that they are apt to take any turn at any moment. If the lines are consolidated, it is probable that Mr. Drake will be the manager— Toledo Blade.

ANDERSON VS. ANDERSON.

Adaline Anderson has entered suit against William Anderson for a divorce. The petition alleges that they were married April 25, 1878, and that ever since their marriage he has failed to provide for her. He represented that he was a wealthy man and was able to provide for her, when in fact he was without means and physically disabled so that he was unable to provide for her. She asks for a divorce and the restoration of her maiden name.
